Information Letter

April - May 2021

28th April 2021

Dear Parents/Guardians,

Please find below a list of important dates for the upcoming term. Please note that these dates are subject to change.

For our Leaving Certificate students, please note that the portal is now open and will close **this Friday**, 30th April. The late applications for CAO will also close on this day.

Summer Examination timetables will be released to all students next week.

We would also like to take this opportunity to assure parents that we are following all guidelines regarding COVID-19 from both the Department of Education and the HSE.

The Rosses Community School will endeavour to protect the safety of our students and their families and we will react accordingly.

We would also like to ask at this time that students who have borrowed school chromebooks return them to the school office in the coming weeks before the end of term.

We thank you all for your continued cooperation in helping reduce the risk of COVID in our school community. We ask all families to remain vigilant and for students not to attend school with symptoms of COVID-19 or if deemed a close contact.

Wishing you and your family well. Take care and stay safe.

Thank you.

Kind regards,

John Gorman
Principal
